Pro-Vision Services
Giving Better Peace of Mind

GIVING BETTER

PEACE OF MIND

By offering the best quality of care, we aspire to raise the standards and expectations of the homecare business.

OUR IN-HOME CARE SERVICES

Personal care

These are services that aim to help seniors and other individuals who need assistance with their activities of daily life.

Respite care

Personal care and assistance with instrumental activities of daily living provided on a short term basis because of the absence or need for relief for those persons normally providing the services.

Companionship services

Socialization, support, and assistance with instrumental activities of daily living.

Specialized care

We provide non-skilled services that are tailored to the care requirements of the client and that enhance the client's health, safety, and well-being, in addition to their capacity to live independently.

QUALIFICATIONS

The ideal candidate will possess the following qualifications:

- Verifiable High School Diploma or GED.
- Must be 18 years of age.
- Must have a Valid Driver's License.
- 6 months of experience is preferred in a Human Services or related field is preferred
